Platform in beton en hout

basis platform 10cm hoog

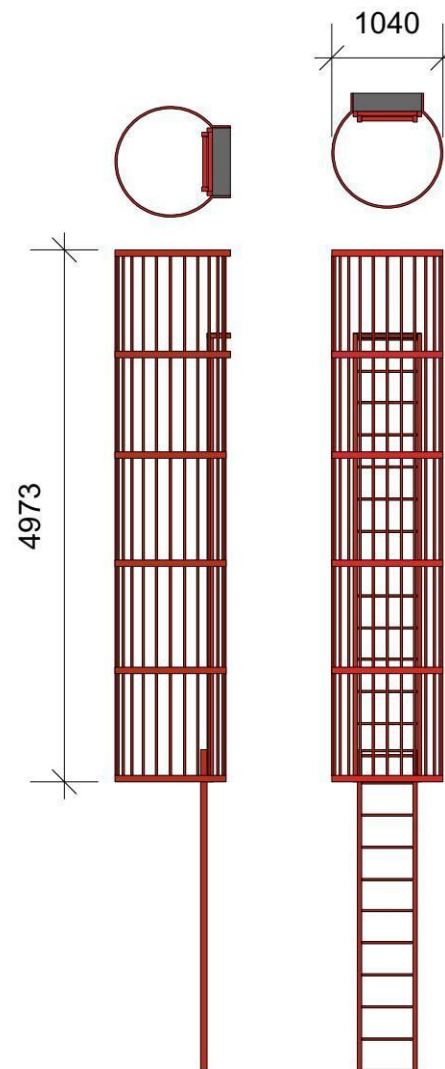

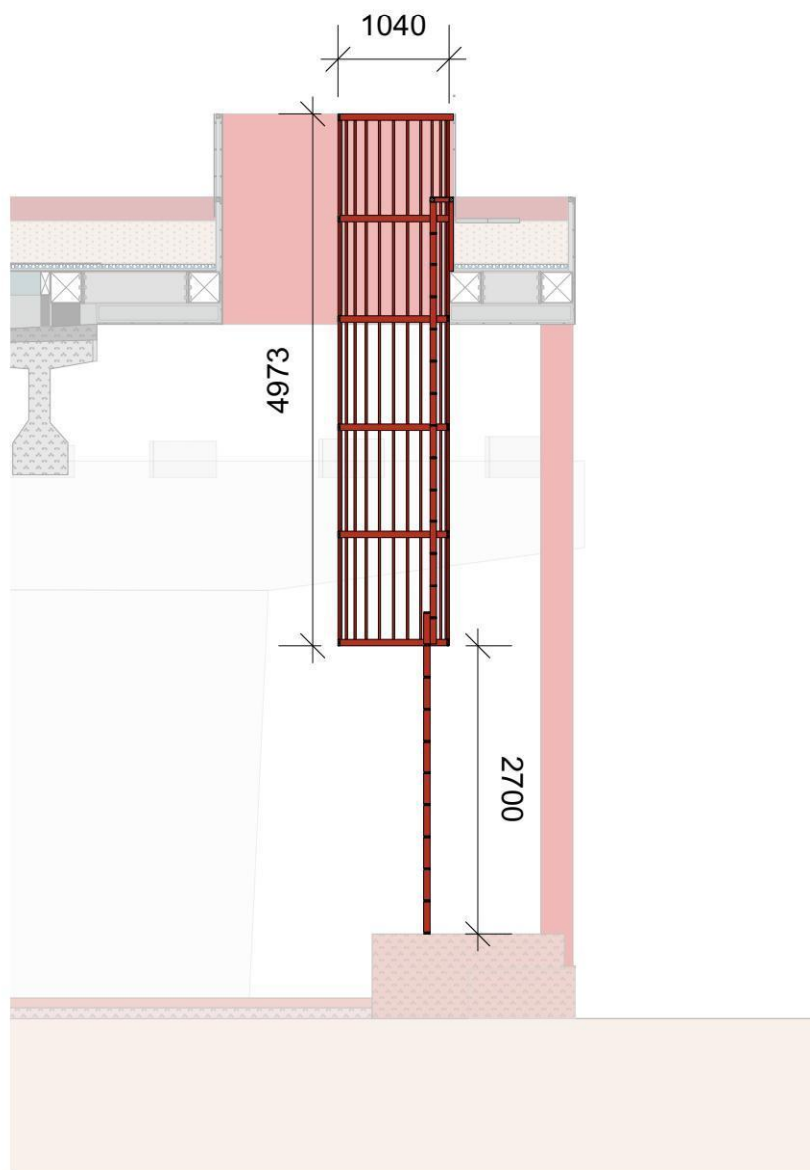

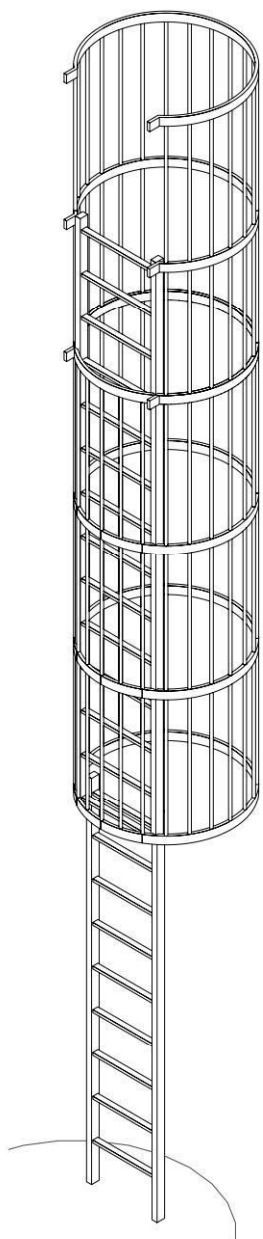

opstaand randje van 5cm tbv
waarschuwing voor rolstoelen

Het basis platform van het paviljoen heeft een
hoogte van 10cm. Deze is toegankelijk via een
hellend vlak over de gehele lengte.
De hellingshoek van 1:10 geeft een breedte
van 1 meter.

Kooiladder

De afvoer van water gaat via het bestaande afvoerkanaal in de kolom westzijde.
Deze afvoer dient gecontroleerd en eventueel werkend gemaakt te worden.

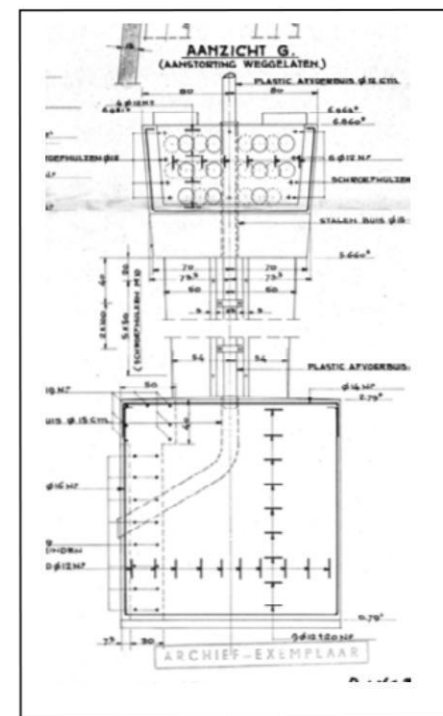

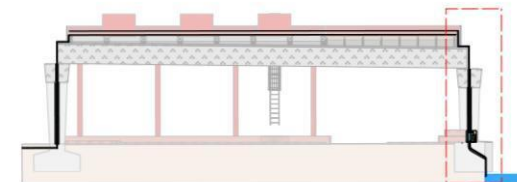

De aanvoer van water gaat via het bestaande afvoerkanaal in de kolom oostzijde.
De pomp voor de stijgleiding wordt geïntegreerd in het betonnen podium
dmv een ingebouwde nutskast.
